COMMUNITY SPIRIT

SAFE RISK TAKING

THRIVE FROM CHALLENGE

BE YOUR BEST

HIGH ARTS PROGRAM

WORKSHOPS, HOLIDAY
BIRTHDAY EXPERIENCES

Beyond the leaps and tumbles, something wonderful happens at the SA Circus Centre. Doubts fade to confidence, hesitation gives way to courage and difference becomes identity. Child or adult, individual, group or organization, all you have to do, is dare!

Classes for kids aged 2 ½ to 18 years of all skill levels are held at our fully equipped circus school in the Bowden village. Kids can progress to join specialist classes including aerial and acrobatic or audition to join the elite Performance Troupe. Not sure which class is right for your child? Interested in a specialty class or the Performance Program? Call the office or speak to your trainer to discuss!

"I attended Cirkidz for 12 years, from 6-18. It gave me confidence, encouraged me to push myself, taught me about co-operation, trust, creativity, discipline and provided me with a community that have become extended family and life-long friends" – Eli, Cirkidz graduate, trainer and international performer

But don't just take our word for it! Recent studies from UniSA have confirmed what we at the circus centre have known for many years. In particular, findings from a particular study showed that children involved in regular circus training by Cirkidz within a school environment improved their level of motivation to attend school and engage in learning. It is well understood that remaining in school and getting a good education is a pre-requisite for a good and healthy life. Ensuring children remain motivated and engaged in learning is a key. Studies have also shown that the performing arts offer an opportunity for children to develop life skills such as resilience and coping mechanisms, social interaction as well as improve levels of physical activity. The performing arts also offers children the opportunity to engage in an activity that focuses on team work in a non-competitive environment. So why not get a head start and begin your circus journey today!

Classes for children aged 2 ½ to 18 years of all skill levels are held at our fully equipped circus school on the city's fringe in Bowden. Students can progress to join specialist classes including aerial and acrobatic or audition to join the elite Performance Troupe.

Cirkidz is a not-for-profit organisation that was founded in 1986 to provide meaningful recreation and community engagement opportunities for disadvantaged youth. Thirty years later... we are still empowering young people and enhancing their social, physical and creative development through value based training and a lot of fun!
We invite you to come along for a free come and try to unleash the extraordinary you!

Birthday parties, school holiday programs, adult's classes and circus equipment are also available.
