

# PERFORMANCE PROGRAM AUDITIONS

Be part of the future of circus!  
Travel, train, make new friends, have fun and perform

*The South Australian Circus Centre, the Home of Cirkidz is Adelaide's premier training program for young people who want to become the future of contemporary Australian circus. The Performance Program aims to provide the best equipment, environment and mentors to enable students to become professional national and international circus artists.*

Our Performance Program Artists and Graduates are pushing the boundaries of circus all over the world and having an amazing time doing it. The Performance program has multiple entry points, dependent on experience and aptitude.

The Circus Centre is offering the opportunity to participate in a "Workshop Audition" for the Performance Program on Saturday September 17<sup>th</sup> with Artistic Director Joshua Hoare and Artist Development co-ordinator Jono Dragt.

Participants will be lead through a two hour workshop that will give insight into our technical training and creative development process. They will also experience some of the many benefits students can expect to enjoy by training at the centre.

Participants will be assessed during the workshop by the Artistic Director and Artist Development Coordinator on suitability for a position in the Performance Program or Cirkidz specialist classes.
